FAQ

Q. Who can receive the Promotion and Sales Award Booster incentive awards?

A. This is a global sales incentive for all countries. All Independent Consultants are eligible to receive these awards when they promote to these titles for the first time and meet the qualification requirements. Independent Consultants will only be eligible to participate for new titles that they have not achieved in the past. Award Boosters are available to first-time promotees who are currently in their first six months. For example, if you promoted to DM for the first time as of 1st November 2020, you will earn the Award Booster any time you meet the qualifications through May 2020. Note that Independent Consultants must achieve a minimum of 150 Personal Qualifying Volume (PQV) during each month of qualification in order to receive these awards.

Q. Who counts as a new District Manager from my District?

A. Any DM promoted out from your Central District within your first two months as DM will count. For example, if you promote to DM as of 1st February 2020, any DM you promote from your Central District, effective 1st March or 1st April 2020, will count. If you promote a new DM effective the same date as your DM promotion, that will not count. The same applies to all other levels.

Q. If I re-promote to a title I previously held in the past, can I earn the Promotion and Sales Award Booster incentive awards?

A. No, this programme is for first-time promotions only. For example, if a District Manager is reassigned to an Independent Consultant title, they cannot earn this incentive for the District Manager Promotion Booster or Award Booster. However, they will be eligible for the incentive upon promotion to Area Manager and above because they have not previously held this title.

Q. How will I receive my Promotion Booster award?

A. After the reshuffle, when you place an order with QV greater than zero to your default ship-to address, your Award will be included with your order.

Q. When I meet the qualifications for my title Achiever Award during my first 6 months at that title, when will I receive the Award Booster amount?

A. You will receive this award for each month that you achieve the title Achiever Award during your first 6 months at that title – that's up to 6 Award Booster payments! Award Booster amounts will be included in the override payment for each month you qualified for the title Achiever Award. For example, if you promote to District Manager as of 1st February 2020, and then you qualify for the DM Achiever Award in March, you will receive your Award Booster in April, which is your payment for your March business.

Q. What happens to the Award Booster when I promote to another title during my first 6 months as a District Manager, Area Manager, or Regional Vice President?

A. When you promote to a new title, you become eligible only for the Award Booster applicable to your NEW title. Your previous title Award Booster is no longer applicable, granting you 6 new months to earn the Award Booster at your new title. For example: You promote to District Manager, and during your first 6 months as DM, you promote to Area Manager. You are now eligible to receive the £125 Award Booster each month you qualify for the first 6 months after your AM promotion, in lieu of your previous DM award.

- Q. If I finish qualification to promote to another title during my second month as a District Manager, Area Manager, or Regional Vice President, will I still get the Promotion Booster and/or Award Booster for my current level if I achieve them that month?**
- A. Yes. Your awards are based on your title for the month you achieve the awards, even if you promote as of the first of the following month. For example, if a District Manager promotes to Area Manager within their first two months of being District Manager, and they meet the qualifications for the Promotion Booster and Award Booster at the DM level, they will receive those awards.
- Q. Where are the details for achieving Qualification and Maintenance for the SuccessPlan levels and title Achiever Awards?**
- A. All these details are provided in the SuccessPlan, located on The Source.
- Q. Do the products that are awarded for earning the incentive have Qualifying Volume (QV)?**
- A. No.
- Q. How can I track my progress for this incentive?**
- A. Log in to arbonne.com, go to My Office, and view your Qualifying Volume for promotion and title Achiever Awards on your dashboard. There is no separate tracker. However, you can view a report in My Office > My Team > Promotion and Award Boosters.
